

# Unitarian Fellowship Discussion Group 2024 Topics

The Discussion Group meets on the third Friday of each month at 10am in the Fellowship located at 1 West Nelson Street, Newton, NJ.

If a meeting is canceled for any reason the topic will be combined into the next month's meeting. Meeting correspondence is via email [ufdiscussion@gmail.com](mailto:ufdiscussion@gmail.com) New members are welcome at any time. Just come to a meeting. Membership in the UUFSC is not required. We welcome members of the community.

This is a rank ordered listing of the topics selected by the current group members.

<b>Date</b>	<b>Topic</b>
November 15	Free Market Economics
December 20	Eternal Creations
January 17, 2025	Surveillance in Society
February 21, 2025	Technology and Society

## **Topic expansion:**

- 1) Free Market Economics: Discuss the benefits of free market capitalism, entrepreneurship, and limited regulation on businesses. Explore the role of competition and innovation in driving economic growth.
- 2) Eternal Creations: Is anything, other than the creations of the human mind, eternal?
- 3) Surveillance in Society: How will society change to accommodate the increase in public and private surveillance?
- 4) Technology and Society: Explore the impact of technology on society, including privacy concerns, automation's effect on jobs, and the digital divide.
